LETTER FROM THE DIRECTOR

Welcome to the 2008-09 Golden Eagle Band Program! This year is going to be a great one. We have a strong senior class to provide leadership, roll models, and to guide through the new year. There are also some very talented incoming freshmen that will add to the potential of our organization. I hope all of you will make their first year in the EHS Band a memorable one.

This year our show is "Blue Voices". I really like the music and it will have us doing things we have never done before. I love the middle section featuring our incredible bass clarinet player, Scott Cilke. We are also having an oboe solo and clarinet solo. Jim Demas is writing our drill this year which will be exciting. It will also be different for everyone because you will not have coordinate sheets, only the big picture. This year's staff includes Chris Bouchard, Lawrence Garcia, Chris Martinez, Jason Owen, Jordan Sayre, Gabe Velasco, and Brian Weller. Lawrence Garcia will be out marching drum corps for the summer but will join us when school starts. I am thrilled to be doing band camp on our new beautiful marching field. If you haven't seen it yet, it is AWESOME!!!!

There will be auditions for Jazz Bands the last Saturday of band camp. We are looking for a trumpet in Screamin' Eagles, and saxes, trombones, and trumpets for Golden Image. Please get hold of Mr. Sanks for audition music.

I would like to stop any rumors out there about the future of our director, me. I don't know what I am doing after this year; I was planning on retiring in May of 09 and moving to Oregon or Washington to teach again. Plans are up in the air right now, but it is possible and some what probable. I will keep you up dated. Enjoy the remainder of the summer and blow the dust out of your instruments from "time after time". I think there is a jazz tune by the same name.

See you soon.
Mr. Sanks

LETTER FROM THE ASSISTANT DIRECTOR

Dear Students and Parents,
Welcome, or welcome back as the case may be to another exciting year of the Eldorado Band Program!

Marching band is unlike anything that any of the 8th graders have ever experienced before. You may feel overwhelmed at first. **Don't worry!** It is normal and completely expected for you to have those feelings. Remember that everyone, including your fellow section members, section leaders, staff and even your directors were once in your position and are here to help you and the entire band improve and succeed!

I have had many experiences directly related to marching groups including marching with the Blue Knights Drum and Bugle Corps and being on staff with the UNM Spirit Marching Band that I am looking forward to sharing with the group!

I am excited for another year at EHS! I am in my sixth year teaching here at Eldorado and my seventh year overall. In addition to my duties as the assistant band director at EHS I am also the band director at Jackson Middle School and the co-conductor of the New Mexico Junior Youth Band.

Remember to bring the following very important things to band camp: Water, sunscreen, good athletic shoes, an open mind, energy, and most importantly, A POSITIVE ATTITUDE.
See you at Band Camp!

Mr. Snowden

FROM THE BOOSTER PRESIDENT

Hello Band Parents and Students! Another exciting year in EHS Band is about to begin.

Students, be sure to take advantage of the fundraising activities the Boosters have organized. The year begins with magazine sales, entertainment book sales, and Pageant of Bands (POB) advertising sales. Many students fund all of their band fees and band trip costs with their participation in these three fundraisers. What an idea!

Parents, be sure to jump into the excitement and volunteer to help the band. Volunteering provides its own rewards. You get to make new friends, try something new and best of all, spend time with the students. There are many ways to participate: chaperones, drinks, fundraising, uniforms, newsletter and more. There are several areas that still need help, so be sure to call or email me. Getting involved not only helps to keep everything running smoothly, but you get to stay informed with what is going on in band and meet new people.

Keep this manual handy and refer to it often! If you have questions or would like to volunteer your talents, don't hesitate to contact me or anyone on the executive board. The Band Boosters meet on the first Tuesday of each month and we'd love to see you there! I'm excited for this year and I hope you are as well!!

Enjoy the adventure!

MARCHING BAND

Marching Season begins with band camp in late July and ends with the last football game or competition in late October or early November. Band students and color guard students comprise the Marching Band and participate in Marching Season. All Marching Band members are required to attend Zero Hour.

AFTER-SCHOOL REHEARSALS

Marching Band will rehearse after school on the marching field on Tuesdays from 3:00 pm to 5:30 pm. These rehearsals are **MANDATORY** for all band students, with the exception of certain athletes, CEC students, etc. In addition, some after-school rehearsals will be held at Wilson Stadium (located directly east of Manzano High School). These rehearsals will begin promptly at 3:00 pm and end at approximately 5:00 pm. Students are responsible for their own transportation to and from Wilson Stadium. Check the calendar for this year's specific schedule and location.

MANDATORY REHEARSALS

Additional mandatory rehearsals will be held throughout Marching Season. These rehearsals are usually held shortly before a scheduled competition. All Marching Band members – including athletes and CEC students – are REQUIRED to attend these rehearsals. Band students who are involved in other school activities such as sports, drama, or school clubs are required to inform their coach, director or sponsor that they MUST attend these marching rehearsals. Check the calendar for specific mandatory rehearsal dates, times and locations. All scheduling conflicts must be discussed with the Director at least two weeks prior to a mandatory rehearsal.

FOOTBALL GAMES

The Marching Band performs – in uniform – at all Eldorado High School football games held in Albuquerque. If Eldorado is the home team, the show will be performed at halftime. If Eldorado is the visiting team, a portion of the show will be performed before the game begins. At home games, the band will be seated in the west stadium stands. When Eldorado is the visiting team, the band will be seated in the east stadium stands. While seated in the stands, the band will play pep music selections as directed by the Drum Majors.

Band and Color Guard students will report to the EHS band room 1-½ hours before game time. Report time is announced to students during Zero Hour. In the courtyard, attendance is taken, uniforms are inspected, and announcements are made. All students are expected to help load the equipment truck before each performance and unload the equipment truck upon returning from a performance.

All students are expected to ride the bus to and from each performance. No band member is allowed to leave the performance early unless excused by the Director prior to the performance. The proper APS form must be filled out and signed in advance by the Director and an Eldorado Administrator. Forms are available in the main office.

Band members will sit in sections of like instruments at all times. Only current band members are allowed in the band section of the stands when the band is seated in the stands. Students are expected to pay attention to the Director(s) and Drum Majors for instructions, and play only as a full band when in the stands; no solos or ensembles are allowed. Students and parents are expected to stand during the school song and help provide school spirit.

Mr. Sanks e-mail: Trbnman1@aol.com

Contact the Band Room - 296-4871 Ext 266

TRANSPORTATION

School buses or coaches will be used to transport students to all performances and football games during Marching Season and Concert Season. While on the bus students are expected to remain seated at all times, keep instruments stored in cases, and keep everything inside the bus (hands, arms, trash, your seat partner). When leaving the bus, use only the front door unless told otherwise. It is each student's responsibility to keep the bus clean.

COMPETITIONS

Marching Band annually enters its show in three fall competitions. This year's competitions include:

- Pageant of Bands – APS Wilson Stadium on October 4, 2008
- ZIA Marching Band Competition - UNM Football Stadium on October 11, 2008
- Tournament of Bands – NMSU in Las Cruces on October 25, 2008

Please refer to "RULES" for information regarding expectations, student conduct, report times, uniforms, transportation, grading, etc. related to Marching Season.

JAZZ BANDS

SCREAMIN' EAGLES (Advanced Jazz Band)

This is our top jazz band. Screamin' Eagles has won top honors at numerous competitions and has performed repeatedly in UNM's Popejoy Hall as the New Mexico Music Educator's chosen Honor Band for jazz. Enrollment is by audition only and is open to all band students in Grades 9-12. Audition music is available every April and auditions are held in May for those positions being vacated the next school year. This jazz band meets during 4th period on a daily basis, beginning with the start of the school year.

GOLDEN IMAGE (Intermediate Jazz Band)

This jazz band has distinguished itself as a major player in competitions throughout the southwest. Each year, members of Golden Image and Screamin' Eagles compete for placement in the three All-State jazz bands and fill approximately 50% of the available seats. Enrollment is by audition only and is open to all band students in Grades 9-12. Audition music is available every April and auditions are held in May for those positions being vacated the next school year. This jazz band meets during one class period on a daily basis, beginning with the start of the school year.

JAZZ III (Beginning Jazz)

This band changes from year to year and is open to all students in Grades 9-12. This class is offered Second Semester during 7th period (after school). All students are welcome to play in this jazz band and it is offered for credit.

Please refer to "RULES" for information regarding expectations, student conduct, report times, uniforms, transportation, grading, etc. related to the Jazz Program.

CONCERT BANDS

Concert Season begins at the conclusion of Marching Season. During Concert Season, band students participate and perform in the Concert Band, Symphonic Band, or Wind Ensemble. Color Guard students move into Winter Guard where they prepare for spring competitions.

Band students will audition for chair placement in early November following Marching Season. Each student's audition determines placement in Concert Band, Symphonic Band, or Wind Ensemble. Auditions for chair placement use the music selected for All-State auditions and may be obtained at Baum's Music or Music Mart (for audition selections refer to <http://www.nmmea.com/audition.htm>).

CONCERT BAND

(Freshman and Sophomore Band)

This band is required for all freshmen. Sophomores are required to be in Concert Band if they don't pass the testing requirement to advance to Symphonic Band or Wind Ensemble. In addition, a freshman student may audition to be a member of Symphonic Band or Wind Ensemble. Students in this band develop the discipline, maturity, instrument technique, and musical ability necessary to become a performer in either Symphonic Band or Wind Ensemble. This band meets daily during 1st period.

SYMPHONIC BAND

(Grade 9-12, depending on audition)

This band is comprised of students who have passed an audition process OR are in their junior year. Symphonic Band is directed by the Assistant Director of Bands and meets daily during Zero Hour after Marching Season concludes. Attitude, discipline, dedication, and attendance are a must in this group. Private lessons are strongly encouraged.

WIND ENSEMBLE

(Grades 9-12, depending on audition)

The Wind Ensemble thrives on dedicated students who want to be great performers. This is an incredible group - one of the very best in the state. These students are EXPECTED to take private lessons. Impeccable discipline, attitude, and attendance are required of Wind Ensemble members.

WINTER GUARD

Winter Guard is the second semester class for Color Guard students. It meets during Zero Hour and students earn one-half credit for this class. A positive attitude, commitment, teamwork, and discipline are expected. Attendance is required during class time and at all after-school practices and will be considered a major portion of each guard student's nine weeks grade. Winter Guard members perform at basketball games (schedule permitting) and participate in competitions held throughout the semester.

BASKETBALL GAMES

All band students will be assigned to one of two pep bands. These pep bands will perform at girls or boys basketball games played at the school during second semester. The Director will determine the schedule and pep band assignments. Each pep band will perform at an equal number of basketball games as determined by the basketball schedule. These are graded performances for the six-week period.

WHO ARE THE BAND BOOSTERS??

A Band Booster is any parent or guardian of a band student. **YOU** are a Band Booster. Because of the support of the Band Boosters, the Eldorado Band Program is one of the most extensive in the state of New Mexico. The Boosters supplement the limited APS budget to cover our Marching Band and Color Guard, three concert bands, and three jazz bands. Our annual budget covers trips, lodging, food, competitions, instrument purchase and repair, show design additional instructors for sections, and an annual college scholarship.

The Boosters also support the Eldorado Band staff by assisting with tasks not directly related to the curriculum or the teaching day. Boosters work with staff to determine immediate and long-term equipment and supply needs not covered by the APS budget.

The Eldorado Band Booster Board is the official decision-making body of the boosters. In addition to the Executive Officers (President, Vice-President, Secretary, Treasurer, and Fundraising Chairperson), voting members of the board include the Past President, Flag Corps (Color Guard) Representative, Uniform Committee Chairperson, Public Relations Committee Chairperson, and representatives for each grade level. The board is responsible for an extensive annual budget. Open monthly meetings are held to continue the regular work of the Boosters. Any parent or guardian of a band member is welcome.

The most important thing you can do as a Booster is to volunteer your time, your skill, and your effort. There are so many possibilities. Whether you have just a little time, or a lot; have a skill or not; all that's required is the desire to support our kids! Check out the volunteer information in the forms section to see where you can help. The rewards are endless. Best of all, you will be involved in your student's life and the futures of almost 200 young musicians. That's an investment worth making.

Examples of Booster activities include:

- Cleaning up the marching field & storage shed every year before band camp
- Distribution and collection of marching and concert uniforms
- Fundraising for the general fund, as well as the individual student accounts
- Providing chaperones for all events that require bus transportation
- Reviewing equipment and instrument needs
- Organizing and maintaining marching band and concert uniforms
- Managing the student accounts
- Providing and serving drinks and snacks for competitions and games
- Designing and procuring any sets, props or costumes required for the Marching Band and/or Winter Guard shows
- Loading and moving all pit and drum line equipment and instruments by truck and setting it up at all competitions and games
- Hosting the Albuquerque Jazz Festival every February
- Organizing all out-of-town competition and performance trips
- Maintaining the band web page
- Publishing the band newsletter
- Publishing the band year book
- Sponsoring and organizing the awards banquet at the end of the year

VOLUNTEER OPPORTUNITIES

This band operates on talent, energy, enthusiasm, and volunteer power. Below are some areas in which volunteers are needed. Refer to the volunteer form in your handbook packet to sign up. If your particular skill or area of interest is not listed, please feel free to contact a Booster Board member or committee chair to offer your services.

STUDENT SUPPORT

Sometimes referred to as “adult groupies” or “band mommies-daddies”, these volunteers assist in moving the band, encouraging performance, and making sure each band member looks his or her best before marching onto the field. For chaperone information, refer to your table of contents.

Uniform parents distribute uniforms, handle emergencies, keep track of the hundreds of uniform pieces and, along with the chaperones, perform pre-game and pre-competition inspections.

Pit crew members load the truck with the pit instruments and assist students with instrument cases before football games and competitions. Pit Crew members move the equipment and drum major stands on and off the field before and after performances. Pit Crew members who are also APS employees drive the truck.

The drinks committee keeps our band members hydrated. Bottled water and refills are provided for each band member. At football games, band members are served bottled water and soda. On trips, coolers of bottled water and soda are available on each bus.

FUNDRAISING

Help is often needed in collecting orders, distributing products, and collecting money. Other fundraisers involve purchasing prepackaged food, working shifts to sell food, candy, soda, t-shirts, and products.

Major Event planning involves a high level of organizing and advertising for a limited amount of time. These events might include a golf tournament, outdoor concert with dessert, or neighborhood canvassing.

COMMUNICATIONS AND MEDIA TECHNOLOGY

Our newsletter, website, concert program assembly, and band yearbook all require people with computer and writing skills. Photography and video possibilities allow us to record events for technical and classroom feedback use as well as preservation of wonderful memories.

FEES, EXPENSES & FINES

HOW THE STUDENT ACCOUNT WORKS

The student account is handled similar to a credit card without the card. On the following pages you will see the estimated expenses for the year. Approximately every other month you will receive a statement that will list the fees that your student has been charged to date. This will include all expenses except for patches/souvenirs the students may purchase at competitions. You can receive the statement via e-mail (PDF file format) or via regular mail. Please indicate which one is most convenient on the Contact Information form. If you need a statement sent to more than one address, please note that as well.

The student's account must be kept up-to-date. Once a student's account indicates a balance owing of **\$300** or more, no further charges can be made. All further transactions must be made by directly paying the amount due. Once the student account indicates a balance owing of less than \$200, student costs and expenses can be again charged to the account. Additionally, if the student's account is not kept current, the school will be notified and there will be a hold will be placed on the student's report card and transcripts.

Each student's account must be paid in full before the spring trip (April 23, 2009). Senior students whose accounts are not paid in full by Friday, May 1, 2009, will be unable to receive their caps and gowns. A payment schedule can be worked out with the Booster Board Treasurer or school administration. If there are any questions or concerns, please contact the Treasurer or any Executive Officer listed on the board members page.

FIRST & SECOND SEMESTER TOTAL	\$ 215.00	\$ 301.00
<i>NOTE: The costs listed above DO NOT include trip expenses.</i>		

NOTE: In addition to the expenses listed, students are responsible for having their uniforms cleaned approximately four times during Marching Season and two times during Concert Season. These cleaning costs are the responsibility of each student and are not charged to the student's accounts. Each cleaning should cost approximately \$10 for a total of approximately \$60.

- * The purchase of a band t-shirt is mandatory the first year the student is a band member. A replacement band t-shirt should be purchased when the old one is worn out or stained. An extra band shirt is helpful.
- ** The purchase of marching shoes is mandatory the first year the student is a band member. Replacement marching shoes should be purchased when the old ones are worn out or no longer fit. Color Guard shoes are purchased individually.
- *** Color Guard/ Winter Guard students may be eligible for the Spring Trip. Interested students should check with the Band Director.

JAZZ STUDENTS: If you are in Golden Image or Screamin' Eagles, you will be charged \$25.00 for the appropriate uniform polo shirt. Additionally, all-state jazz tryouts are \$10.00 per instrument. The estimated cost of any jazz band trip is approximately \$100.00 per student.

The Eldorado Band Program has no hidden fees or expenses. When your student boards the bus for a football game or a trip out of town, all expenses such as meals, lodging and transportation are covered. Occasionally you may be asked to provide a sack lunch for your student. Students must provide personal spending money for snacks or souvenirs.

TRIP EXPENSES

There are no trips planned for the band and color guard during the '08-'09 fall semester, other than the Tournament of Bands (TOB) competition in Las Cruces. The projected cost of the TOB competition to Las Cruces is \$50 per student.

During second semester, Color/Winter Guard usually participates in two out-of-town competitions. Each trip is approximately \$150 to \$175 per student.

In April 2009, the band will travel to Colorado Springs, CO for spring trip. The cost is projected to be approximately \$400 per student. It is anticipated that all eligible band students will participate in the spring trip. Additionally, Color/Winter Guard students may participate in the spring trip.

In late May through early June, 2009 a performing trip is planned to **Oahu, Hawaii**. As of June 1, 2008, Educational Discovery Tours has been selected as the tour organizer. The price of the trip will be approximately \$2,000.00 and will include air fare, hotel, transportation, all group activities and most meals. In order for the trip to be successful, enough students must sign up to provide adequate instrumentation to perform the music for concerts. In the unlikely event we do not get enough participation, and the correct instrumentation, the trip will be cancelled.

The total projected cost for a student to participate in band (including all trip costs) for the '08-'09 school year is approximately \$800. If you include Hawaii, the total will be approximately \$2,800. The total projected cost for a color/winter guard student to participate in the flag corps (including all trip costs, except spring trip) for the '08-'09 school year approximately \$826 to \$876. If you want to include Hawaii in the amount, the total will be approximately \$2,826 to \$2,876.

There are numerous fundraising opportunities throughout the year to help cover both student and band expenses. We **strongly recommend** that your student participate in the **fundraising** opportunities early on, and that you make regular payments to your student's account so you won't be faced with a large bill at the time of the trips. It is much better to plan ahead than be caught unprepared.

EXPECTATIONS OF STUDENTS

DISCIPLINE

Band discipline must, of necessity, be strict. We are very proud of the fact that even as our band numbers over 150, we are complimented on the behavior of our students and asked by restaurants and hotels to return "at any time". Parents and students must continue to exhibit good sportsmanship and considerate behavior at all times.

Band students are subject to APS policy regarding the behavior of students who participate in extra-curricular activities (see EHS Student Handbook). Be aware that guilt by association is the rule in use of prohibited substances. If a student finds that alcohol is available at a party, for example, the only choice is to leave immediately. Just being present is grounds for punishment under APS rules.

ATTITUDE

The greatest single factor that determines the success of our band program is attitude which is a powerful tool in dealing with others. Attitude is critical to the successful transformation of a group of musicians into a band. Make the most of every rehearsal and performance. Work to solve any problems you encounter; merely complaining won't change anything. Share positive suggestions with someone in charge. We each have the power to make the band better; that should be our primary goal.

APPROPRIATE DRESS

All band students will wear their band t-shirts when participating in an organized fundraiser to ensure the public's understanding that this is legitimate non-profit fundraising. Unacceptable behavior, as determined by the Director's standards, may result in the student being barred from participating in certain future fundraising events. APS dress code rules always apply. Uniform standards of dress and care are explained on the following pages.

Mr. Sanks e-mail: Trbnman1@aol.com

Check for updates on our website – <http://www.NMEldoradoEaglesBand.com>

FOOTBALL GAMES

All students will report to the EHS band room 1-½ hours before game time. Listen for your report time in Zero Hour. Attendance, uniform inspection, and announcements are handled in the courtyard before loading the bus. All students are expected to help load the equipment truck before each performance and unload the equipment truck upon returning from a performance.

All students **MUST** ride the bus to and from each performance. No band member is allowed to leave the performance early unless excused by the Principal and the Director prior to the performance. The proper APS form **MUST** be filled out and signed in advance by the Principal and the Director. Forms are available in the main office.

Band members will sit in sections of like instruments at all times. Only current band members are allowed in the band section of the stands. Pay attention to the Director(s) and Drum Majors for instructions. Play only as a full band when in the stands; no solos or ensembles are allowed.

While on the Bus:

- Remain seated at all times
- Do not play any instrument while on the bus
- Nothing goes out the windows (hands, arms, trash, your seat partner)
- Keep the bus clean

ABSENCES

SCHEDULED ABSENCE

The student and his/her parents must **notify the Director of any conflicts 2 WEEKS prior** to any band engagement in order for the Director to decide whether or not the absence will be considered excused. An excused Absence form follows on page 20, or they can be obtained from the Director. If the absence is considered excused, the Director will ask the student to complete a report on an assigned composer. The report will need to be typed, double-spaced, 3 pages in length with 1 inch margins and 12pt font size. The report will be due one week after the paper is assigned.

An excused absence may impact the student's chances to letter in band for the year; however, it will not affect the student's 9-week grade. If the student does not notify the Director 2 weeks prior to the engagement, he/she may lose the opportunity to complete the make-up report and will receive a failing grade for the engagement.

EMERGENCY AND ILLNESS ABSENCES

The Director will consider emergencies and special circumstances. If you are sick and cannot attend a performance, you **MUST** notify the Director by placing a call to his office (296-4871 Ext. 266) before the performance. **Students who miss a performance are responsible for requesting make-up assignments from the Director.**

Request for an Excused Absence

This form must be completed and turned in two weeks in advance of any anticipated absence by a band student (excluding emergencies).

Student's Name _____ **Today's Date:** _____

Date of anticipated absence or tardy: _____

Reason for absence or tardy: _____

*Please be specific! Enough information must be given in order to determine if the absence may or may not be excused.

We understand that the absence is not guaranteed as being excused just by filling out this form. We also understand that it is our responsibility to receive information about possible make-up assignments.

BAND ELIGIBILITY REQUIREMENTS

Every student who participates in the EHS Band or EHS Color Guard program must keep his or her GPA above 2.0. Each member is essential to achieving the best possible performance. Any student who must miss a band performance because of ineligibility will not receive a band letter.

In order for students to be eligible to participate in competitions, trips and other extra-curricular activities, the New Mexico Activities Association requires:

- A student's most recent six-week's report card has no more than one "F".
- A student's most recent six-week's grade point average must be 2.0 or above.
- Only one "F" per student may be made up in summer school.

Students wishing to hold an Eldorado High School Band office, including Drum Major, must have and maintain a 2.5 GPA.

GRADING GUIDELINES

The EHS Band Program is high energy, sometimes requiring many hours of time outside of the school day. Much of the grading is based on attendance, especially during Marching Season. It is very important that every student attend all performances. It is virtually impossible to adequately make up a performance; any student's absence puts added pressure on other students.

All grading is done on the same scale. Performances, rehearsals, homework, and testing are weighted equally. Band and Color/Winter Guard are graded on the same scale.

A+ = 100	A = 95	A- = 90
B+ = 89	B = 85	B- = 80
C+ = 79	C = 75	C- = 70
D+ = 69	D = 65	D- = 60
F = 55	0 = 0	

- Football games will be worth two grades per game: one for attendance and one for their pep band folder.
- Eagle absences and grade checks will be worth one grade.
- Extra rehearsals will be worth one grade each. Attendance at rehearsals is mandatory; only the Director can excuse absences. Extra rehearsals may be called by the Director or Section Leaders with the Director's approval.
- Homework will be worth one grade. Practice records will be in place as weekly homework for second semester.
- Each playing test will be worth one grade.
- Written tests and written homework will be worth the percentage earned.
- Concerts will be worth two grades – one for performance and one for tear down.
- District Festival will be worth two grades – one for performance and one for sight-reading.
All students are expected to listen to other bands and support all EHS concert bands as part of their performance grade.
- Spring Trip will be worth two grades – one for warm up and one for performance.
- Basketball games will be worth one grade per game.
- All members of Symphonic Band and Wind Ensemble (who are not graduating) will be required to play for graduation.

LETTERING REQUIREMENTS

The Eldorado Band Letter encourages and acknowledges the “above and beyond” accomplishments of band students. Sometime following the Spring Trip, the Director will announce the date for lettering forms to be turned in. This form follows on page 23. In order to be considered for a band letter, students must complete the required form and submit it to the Director. Letters are awarded at the annual Band Banquet.

ANNUAL BAND BOOSTER SCHOLARSHIP

WHO MAY APPLY

The Eldorado Band Board offers an annual \$500 scholarship toward the continuation of a student's musical performance education. The award is offered each year to graduating seniors and is based upon availability of funding. Students wishing to apply must have been accepted to a college or university and must be committed to furthering their musical performance education. The student must write a one page essay that answers the questions below under the APPLICATION section.

DEADLINE FOR SUBMISSION

Submission may be presented electronically or by hard copy to the Booster Board President (see page 11 of this manual for contact information). The deadline for submission is **April 30, 2009**. Please put your name on a cover page and NOT on the essay pages. When forwarded electronically, the page with your name will be removed and retained by the President for identification purposes

DECISION

The Executive Board Officers – minus any parents of senior students – will determine the award and announce the winner at the Awards Banquet. Determination will be based upon the student's ability to respond to the questions below.

Student's attention to the criteria * Student's coverage of the three questions
Student's ability to describe a realistic career plan

APPLICATION

The student must provide the following:

- Contact information
- College/university student will be attending
- A two-page essay that answers the following two questions:
 1. Describe your plans to keep music an active part of your future, whether as a hobby or a career.
 2. Write a concise narrative statement expressing your educational and career goals.
 3. How has your experience in Eldorado's band program influenced your high school career AND how do you feel it will affect your future? (What instrument did you play; who mentored you as a musician; what life lessons have you learned that you take with you as you move forward in your career plans?)

Scholarship funds will be released to the student upon successful completion of the first music performance course in the student's college education. Student should present the Board with proof of completion such as a transcript or grade report on the college/university letterhead. A music appreciation course does not qualify the awarded student for a release of funds.

PARENT CHAPERONE RESPONSIBILITIES

Chaperones provide adult supervision in addition to that of the Directors and APS staff. Chaperones are expected to observe all the rules of behavior required of the students, and to lead by example, in support of the Directors' policies and APS' expectations.

Duties may include staying with a sick child, running errands, helping with instruments and uniforms, staying up nights on hall duty, serving dinner or any other necessary task that keeps the band focused on its primary musical work.

You need to be proactive, love kids, enjoy all-night bus rides, exhibit a balance of patience and authority, and demonstrate support and enthusiasm! Chaperones are needed for football games, competitions, fall and spring trips, and graduation.

The Band Booster Vice President serves as the Chaperone Chairperson. Chaperone rosters for football games are organized from volunteer lists in early fall. Chaperones for competitions and the fall and spring trips are chosen by the Director with input from the Booster President and Vice President based upon experience, availability, and activity. The Director will make the final decision on the chaperone roster. It's important that chaperones for these events know the band students and understand the work required. Only experienced chaperones will be allowed for any out-of-town trip. If you would like to chaperone for out-of-town trips, please get involved in chaperoning early in the year.

COMMON SENSE

While chaperoning, parents need to be aware that they are volunteering as representatives of the Eldorado Band Program and APS.

Parents are expected to use discretion and sensitivity with respect to students' personal safety as well as their own. Disciplinary conversation should be conducted with respect and all discipline matters should be brought to the attention of the Band Director or Assistant Director. The laws and rules of APS regarding discipline as well as the rules of this handbook will be strictly enforced.

Music expresses that which cannot be put into words and that which cannot remain silent.

GLOSSARY

Accounts: An account is established for each student. Fees and other items, such as T-shirts, are charged to the account. Parents are responsible for paying the account off monthly. Many of the fundraisers apply directly to the student's account.

All-State: Bands representing the best musicians in the state. Chosen by individual try-outs, which are typically held at the end of November. The music is usually available in the summer from Baum's or Music Mart. Audition music is also distributed at band camp. All-state music is usually also the basis for the concert season chair placement auditions, which are held after marching season.

Band Banquet: An afternoon dinner near the end of the school year to recognize the accomplishments of the band and individual students. Typically includes a nice dinner, a media presentation summarizing the year, serious awards and humorous awards among the students.

Band Boosters: Parent organization that supports the band by volunteering and supplementing the limited APS funding. The quality of the band and the amount of activities the students can be involved with are dependent on strong booster support.

Baldric: Part of the marching uniform that is a removable, decorative sash that runs diagonally across the chest and is attached by buttons.

Band Camp: All-day rehearsals providing intensive learning and practicing, beginning roughly two weeks before school starts. Practices are typically at the EHS Practice field in the mornings and musical rehearsals inside in the afternoons. Social activities for the entire band or for sections are typically held most evenings after band camp.

Band Manual: The EHS band handbook is typically a spiral bound book. It includes "everything" you need to know about EHS band including an extensive calendar, student information, parent information, rules and guidelines. Section leaders deliver the notebooks to each student in the late summer.

Band Picnic: Casual kick-off event for the band year. Usually includes a potluck at a local park for all band members, parents and siblings.

Band Staff: Musicians from around the city who participate on a part-time basis with the band all year long. There are instrumentalists who run sectionals, and assistants who work with specific marching groups. There are 5 to 10 different additional professionals who help the EHS band achieve the highest levels of quality in marching and performance.

Band T-Shirts: Simple white T-shirt with the marching eagle logo on the back. This is the "casual uniform" or "pep band uniform" for the band.

Booster Board Meeting: The monthly meeting of the Band Boosters. They are typically held the first Tuesday of the month in the band or orchestra room and are open to all parents.

Breast Plate: Part of the marching uniform that is decorative and square in shape and attaches to the chest of the uniform by buttons.

Cavalcade of Music: Spring trip to Colorado Springs which includes a concert band competition. <http://www.experiencecoloradosprings.com/travel.asp?pageid=0%7C17>

Cleaning Receipt: The cash register receipt from the cleaners showing that the student's uniform has been cleaned. Students and parents are responsible to have the uniforms cleaned according to the schedule in the band calendar. These receipts are turned in at regular intervals and before major competitions. Those who do not turn in receipts at publicized intervals may be fined.

Color Guard: The group of students who use flags, rifles and other elements on the field to supplement and add color and drama to the marching show. These students do not play instruments, but are a critical part of the overall quality of the show.

Competitions: Events where the band competes against other bands. There are typically three marching competitions and one concert competition.

Concert Band: First -period band for all 9th Graders. May include some other grades as well. Performs during concert season. Often works on marching music during marching season.

Concert Season: Typically November - April. Several concerts are performed during concert season, including district festival and Spring Trip.

Drum Majors: Students who conduct the band during the marching shows and when the band plays from the stands.

Eagle Absences: Excused absences for school related activities. Eagle absences are used any time that a band function takes students out of class. Eagle Absences must be approved by the teachers, who may choose to not sign them if the student has missed 8 or more non-Eagle absences.

Eligibility: In order to be eligible to participate in any extra-curricular activity, a student must have no more than one "F" and better than a 2.0 GPA.

Fees: A general term for the expenses that are accrued over the course of the year for band students. Things that cost the student money include things like t-shirts, trip expenses (meals are included) and other activities. The fees are highest during marching season and at spring trip. Accounts are set up in each student's name, and many fund raising activities credit directly to the participating student's account. Many parents cover all of the costs for their students from fundraising activities.

Flea Market: Fund raiser for the General Fund that occurs on August 23, 2008. Band families and the community donate items to be sold at the Flea Market. Band parents organize and run this event which is held in the North West parking lot at Eldorado.

Flex Day: All-school schedule Wednesdays and Thursdays, when the first class starts at 8:10 a.m. Zero Hour remains the same. There is a break between Zero Hour and the first class that is good for homework or getting help from a teacher.

Fundraising: There are many opportunities to raise funds for the band general fund, and for each student's account. Some students are able to completely pay the year's fees with fundraising.

Gauntlet: Part of the marching uniform that is a flat, flared cuff that Velcro's around each wrist on top of any gloves or sleeves.

Golden Image: The intermediate jazz band. Selection is by audition in May. Additional auditions may be held at the beginning of the year for 9th graders. This is a class that meets during a regular school period.

Hat Box: The box full of candy that the students take to every game. Somewhere in there is a band hat, too! ☺

Jazz III: "After School Jazz" open to all students. Meets second semester during 7th period (after school) and is offered for credit.

Letter: Band students may earn a letter if they meet the minimum requirements based on participation in performances, activities and academics. Band students can earn a letter during their freshman year.

Mandatory Rehearsals: Additional mandatory rehearsals are held throughout Marching Season. Typically these are shortly before competitions, and usually held at Wilson Stadium. All marching band members, including those typically excused for other school activities, must attend to ensure the best performance at these critical events.

March-A-Thon: Coincides with the Flea Market on August 23, 2008. The band marches through the neighborhood surrounding Eldorado, with police escort, and collects donations from the community. This fund raiser benefits the General Fund.

Marching Season: Typically late July through October. It also includes additional rehearsals and at least three marching competitions.

Pageant of Bands (POB): "New Mexico Pageant of Bands" (AKA "Pageant") is a marching competition planned, organized and presented by volunteers representing the Albuquerque area band booster organizations. Selling advertisements for the program is a fundraising opportunity. EHS has been ranked first place among the 5A bands for 3 consecutive years, and 4 of the last 5 years (the pressure is on!).

Parent Performance: This is the culmination of band camp, usually on a Saturday afternoon. Students march in full uniform on the practice field. First parent meeting of the year typically occurs immediately before or after the parent performance.

Pep Band: The general term for bands that play in support of school functions. Most often pep bands play for home basketball games. The band is divided into two "bands" that alternate playing at games.

Pit: The group of percussionists that play from the sideline during the marching show. This group may include uniformed students with ongoing medical circumstances that prevent them from marching. (By prior arrangement with band director.)

Pit Crew: The group of parents who load and unload instruments (not just the pit) and props on the truck and help set up the Pit and Drum Major stands.

Practice Field: A paved and lined lot behind the baseball stadium on the eastern most edge of the Eldorado complex.

Screamin' Eagles: The top jazz band at EHS. Selection is by audition in May. Additional auditions may be held at the beginning of the year for 9th graders. This is a class that meets during a regular school period.

Section Leaders: The student leadership for each section. Selection is typically based on leadership qualities and musical ability. Most sections have 2 or 3 section leaders. Section leaders are selected by the student officers

Sectionals: Music rehearsal among sections of students who play the same instrument (all flutes, all trumpets, etc...). Sectionals may be led by a student section leader, or a staff instrumentalist.

Shadows: Marching band members who alternate with other students for the show. Marching shows are designed for a specific instrumentation and number of students. Some students in a section that have more instruments than the show design will be “shadows” for one another and take turns marching. Shadows are determined during band camp.

Show: The complex interaction of music and marching around a central theme. The show consists of an Opener (Movement I), Ballad (Movement II) and Closer (Movement III). EHS performs one show per year. Typically, a show will be tweaked and fine-tuned throughout marching season, with additional moves and/or props.

Show Shirts: A T-shirt representing the show from each year. The design is selected by the students from student submissions early in marching season. Students wear these, but parents can order their own show shirts, too!

Solo and Ensemble: Judged performances by soloists or ensembles at a festival in the spring, usually in March.

Student Officers: The student leadership organization within the band that provides input to the Booster Board and Directors about student activities.

Symphonic Band: The concert season ensemble selected by audition. Symphonic Band meets at Zero Hour during concert season.

Tournament of Bands (TOB): "New Mexico Tournament of Bands" is a marching competition sponsored by New Mexico State University and held at the university (NMSU) in Las Cruces. All bands march in the preliminary competition, and the top 10 bands march again at finals for final placement.

Tryouts: Individual performances to determine band and chair placement. Held after marching season. Typically all-state music and scales are the basis of the tryouts

Uniforms: Marching uniforms were new in 2005. Students are fitted during band camp for their marching uniform. The concert uniforms use the same pants, but with a tuxedo jacket. Students purchase their own tuxedo shirt. Students are responsible for cleaning their uniforms at prescribed intervals, and providing cleaning receipts as proof.

Wilson Stadium: Eldorado High School's "home" stadium, on Lomas east of Manzano HS. This is also the site for many football games, Pageant and several after-school rehearsals during marching season. Transportation to and from Wilson for after-school rehearsals is **not** provided.

Wind Ensemble: The concert season ensemble selected by audition. Wind Ensemble defines a specific selection of instruments. The most select group of musicians at Eldorado. Wind Ensemble meets at Zero Hour during concert season.

Winter Guard: The activities of the Color Guard after marching season ends. They perform to pre-recorded music and participate in winter guard competitions

Zero Hour: The period before school starts. Zero hour begins at 6:35 AM. Be there, set up, in your spot. To be early is to be on time, to be on time is to be late, to be late is not acceptable.

Zia Marching Band Fiesta: "Zia" is a marching competition sponsored by the University of New Mexico and held at University Stadium in Albuquerque. All bands march in the preliminary competition, and the top 10 bands march again at finals for final placement.

2008-09 BAND CALENDAR

Throughout marching season, there will be after-school rehearsals on Tuesdays – beginning August 19, 2008 – from 3:00 pm to 5:30 pm on the EHS practice field. The EHS practice field is located at the very eastern edge of the campus – east of the baseball and soccer fields.

Athletes involved in fall athletics do not attend these rehearsals. Instead, they go to their regular athletic practice. If they do not have an athletic practice, they are expected to be at after-school band rehearsals.

All after-school rehearsals are considered mandatory and will be graded. There will be two after-school rehearsals in October that all athletes must attend. These two rehearsals will be held at Wilson Stadium (directly east of Manzano High School). APS must approve these rehearsal dates and confirmation has not yet been received.
